PROFILE

Motivated and detail-oriented career changer with a strong foundation in **HTML, CSS and Java Script**, actively transitioning into a technical role. **Experienced in building responsive front-end projects** through coding bootcamps (**SheCodes, Harvard CS50, Code First Girls**). **Skilled in applying design tools, coding standards, and thorough testing** to deliver **pixel-perfect, user-focused solutions**. **Strong record of leading teams, mentoring managers, and delivering measurable performance improvements**, combined with a **self-directed passion for learning and development**. Seeking to contribute **technical, creative, and collaborative skills** as a **Junior Developer**.

KEY SKILLS and Tools

- **Technical:** HTML5, CSS3, JavaScript, APIs, Responsive Design, Testing.
- **Email & Design:** HTML email coding, Responsive templates, Canva.
- **Additional Coding Journey:** Python, Swift, Dart, React.js, Node.js, Flask, Bootstrap, SQLite.
- **Tools:** VSCode, macOS, Git/GitHub, Xcode, Jira
- **Soft Skills:** Attention to detail, Communication, Problem-solving, Team Collaboration, Time Management, Continuous Learning, Client-focused approach, Adaptability.

RELEVANT EXPERIENCE

Front-End

Self-directed Learning & Portfolio Projects | 2023 – Present

- Designed and deployed responsive websites and landing pages using HTML and CSS and Java Script.
- Familiar with Agile methodologies and Jira.
- Built and deployed portfolio projects on Netlify showcasing front-end coding, API integrations, and responsive layouts.

- Managed version control with Git/GitHub, collaborating on code reviews in online learning communities.

Senior General Manager

Pret A Manger, London | 2016 – 2022

- Recruited, trained, and developed teams while driving operational performance across multiple West End shops.
- Used **ServiceNow** analytics and Excel to track KPIs, identify trends, and implement data-driven performance improvements, supporting EBITDA growth exceeding £3m annually.
- Maintained top-tier ranking in Pret Premiership by aligning operations with KPIs, customer experience, and attention to detail.
- Liaised with stakeholders, led client-facing meetings, and delivered training on systems and tools to improve adoption and outcomes.
- Managed HR functions, payroll, and compliance processes with precision and consistency.
